- ❖ Natural Health Professionals, and Naturopathic Doctors (ND's) are not Medical Doctors (MD's).
- ❖ I understand that I should continue to see any Medical Doctors I am currently under the care of, and that any prescription medication should not be altered without first consulting the MD who recommended it.
- ❖ ND's are trained specialists who use non-invasive natural medicine such as: vitamins, minerals, herbs, and dietary changes to create a healthy environment in the body.
- ❖ Your visit today is based on the belief that the body has a natural ability to heal itself, if given an appropriate internal, and external healing environment.
- ❖ Nothing said, done, typed, printed, or reproduced by us is intended to diagnose, prescribe, treat or take the place of a licensed physician.
- ❖ Signs of physical, mental, supplemental deficiency, or dietary stressors may be identified today.
- ❖ Information about traditional uses of supplementation that may create a healthy balance in the body may be discussed. This is not intended to be interpreted as a substitute for a licensed Physician's treatment.
- ❖ I am not on this visit, or any subsequent visit, acting as an agent for the federal, state, county, local agencies, or news media on a mission of entrapment or investigation.
- ❖ I understand that there will be a \$50.00 charge for any appointment not cancelled AT LEAST twenty-four (24) hours prior to my scheduled appointment.
- ❖ I have read and discussed the above information, and agree with it completely.
